OUR FINANCIAL POLICY

We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care needed to enjoy a healthy and confident smile.

Dental Insurance

We are happy to file the forms necessary to see that you receive the full benefits of your coverage; however, we cannot guarantee any estimated coverage. Because the insurance policy is an agreement between you and the insurance company, we ask that all patients be directly responsible for all charges. Please know that we will do everything possible to see that you receive the full benefits of your policy.

Payment Options

- Cash or Check
- Credit Cards
- Payment Plan: We offer CareCredit, for those who desire a monthly payment plan. This is a finance company that offers interest-free credit for 12 months. There are no application fees or down payments. You may pay longer than 12 months with interest charges.

I have read and understand the payment options and agree to use one or all of them to take care of the dental fee that I am responsible for including the insurance deductible and co-payment at the time of treatment.
